“ Connecting global expertise with Bolivia’s potential in the energy sector. ”

ABOUT THE EVENT

KEY THEMES INCLUDE:

In a world that urgently demands the transition to clean energy, New Energies Bolivia: Behind the Battery 2025 (NEB 2) is designed to be more than just a conference it is a collaborative platform for knowledge exchange. Organized by AV Consult Bolivia, the Universidad Autónoma Tomás Frías (UATF), and the Bolivian Academy of Sciences, the event gathers international experts, academics, researchers, and industry leaders to explore the latest innovations in lithium battery technology and energy storage.

- Ⓞ **INNOVATION IN MATERIALS:** Advances in cathodes, anodes, and cutting-edge electrolyte technology.
- Ⓞ **OPTIMIZED MANUFACTURING:** New production techniques for higher efficiency and cost-effectiveness.
- Ⓞ **CIRCULAR ECONOMY & RECYCLING:** Sustainable practices for battery reuse and materials recovery.
- Ⓞ **ENERGY TRANSITION APPLICATIONS:** Impact on mobility, renewable energy integration, and more.

EVENT HIGHLIGHTS AGENDA OVERVIEW

EXPERT SESSIONS:

Hear from distinguished speakers from leading universities in Europe and Asia, sharing insights on lithium battery innovations, recycling strategies, and economic opportunities in energy storage.

INTERACTIVE WORKSHOPS & Q&A:

Participate in in-depth discussions, roundtable sessions, and networking events designed to foster academic and industry partnerships.

OPPORTUNITIES FOR COLLABORATION:

Engage with prospective sponsors and research partners to create a vibrant ecosystem for sustainable energy development in Bolivia.

JOIN US AS A SPONSOR

We invite companies, institutions, and industry leaders to partner with us in making NEB 2 a resounding success. Your sponsorship will enhance event organization, amplify visibility, and ensure that high-level expertise is shared with a broad audience. By joining as a sponsor, your brand will be featured prominently through:

Logo Placement:

On our event website, promotional materials, and official documentation.

Exclusive Presentation Opportunities:

A dedicated space to showcase your initiatives in energy innovation.

Networking & Recognition:

Participation in exclusive sessions and acknowledgment during our opening and closing ceremonies.
